

Notice of Road Closure Update, Addison Road, North Calvert

November 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In late February 2023, we closed Addison Road for the construction of the new section of road to connect the existing highway to the new Addison Road bridge and realignment.

To carry out these works safely and effectively we have closed a section of Addison Road with signed diversions. This is for reasons of safety, as our operatives are working on and around the carriageway.

The new realignment and bridge of Addison Road is now expected to become operational and open to traffic in January 2024.

When Addison Road re-opens, it will have traffic management in the form of two way traffic lights and a single lane closure into Summer 2024. Traffic management is required as our teams will be working in close proximity to the road to complete the construction of the parapets on Addison Road bridge.

When will these works take place?

Addison Road will be closed 24-hours a day from Monday 27 February until January 2024. We will update communities as works progress.

Access to residential properties and businesses will be maintained with caution.

These dates may be subject to change due to circumstances outside of our control, such as weather.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
