# Notice of footway closure, Station Road, Quinton

November 2023 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inyourarea.co.uk](http://www.hs2inyourarea.co.uk).

## What are we doing?

In November 2023 there will be a lane and footway closure on Station Road North, to complete cores in the pavement and compaction tests ahead of the Station Road realignment works starting in Summer 2024.

In order to carry out these works safely and effectively, a section of Station Road North will be under 2-way temporary traffic lights and a section of footpath will be inaccessible. Impacted residents will have access to driveways but we ask that the section of road detailed on the map overleaf is kept clear of parked vehicles on 29-30 November.

## When will these works take place?

The lane and footpath closure on Station Road North will be controlled by temporary traffic lights on Wednesday 29 November until Thursday 30 November 2023.

These dates may be subject to change due to circumstances outside of our control, such as weather. Please refer to the HS2 website regularly to check for any changes or updates.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
