

Notice of Ellesborough Road lane closure for utility works

February 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain, if you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

During the last 4 weeks, we have been completing tie in works to join the new alignment of Ellesborough Road into the existing carriageway. Our team have so far constructed and resurfaced the tie in points, installed safety barriers and worked with our partners to redirect utilities.

Due to circumstances beyond our control, the high voltage electricity cable situated above the new alignment was not able to be realigned during this closure period. Due to strike risk caused by the low height of the cable, which is situated above the new alignment, we are unable to open the new road as planned, until the cable is relocated.

The original alignment has now been reinstated and will be open on 28 February, on a temporary basis, pending the removal of the cable on the new alignment.

There will be two way traffic lights, 24 hours a day on Ellesborough Road, until the traffic is diverted onto the new alignment.

Pedestrian and resident access will be maintained throughout this lane closure.

Ellesborough Road must be diverted to continue with the construction of Wendover Green Tunnel and to enable us to move excavated materials around the site without impact the road network. The diversion includes a temporary new bridge which will enable road users to pass over our site.

When will these works take place?

- Wednesday 28th February to Friday 22nd March 2024

Please note, these dates may be subject to change due to circumstances outside of our control but will be completed on or around the timings specified.

Should our team finish earlier than planned, we will open the road when practicable.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation
