

# Syresham Parish Council, Silverstone Liaison Committee report to Parish Council March 2024

The regular meeting of the Liaison Group received the following welcome news about the circuit for 2024.

1. The F1GP contract at Silverstone has been renewed for a further 10yrs which confirms the continued role of the circuit, the village and the developing motor sports focus for the area.
2. This will help with mobilising other anticipated projects, including Karting, and more attracting more employment and business to the West Northants area.
3. Additional residential accommodation is being developed with 185 super luxury units at “Escapade”, adjacent to the Hotel will provide high quality living space for part of the year.
4. A very successful recruitment
5. The circuit won Promoter of the Year Award and is recognised for being more creative, dynamic and productive.
6. Moto Gp and other related events continue to feature in the annual programme.
7. Ticket sales for 2024 major events are already selling very well, and may exceed 2023 figures.
8. The various glitches experienced in Silverstone village for last F1GP are being ironed out and, public meetings will feed into the information system
9. The 2024 calendar of events is now published on the internet and available for resident permit holders.
