

# Notice of lane closures, A418

March 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inyourarea.co.uk](http://www.hs2inyourarea.co.uk).

## What are we doing?

In April, as part of our preparatory works for the realignment of the A418 we will be carrying out utility works in the areas where the new piece of road will join the existing A418.

During the weekend lane closure, we will be carrying out trial hole works to locate underground utilities. These works are essential to enable utility connections to take place. Traffic management will also be required following the weekend lane closure for a delivery of materials between our sites.

For both sets of works, there will be traffic lights along the A418.

To reduce impact on road users, the traffic lights will be in operation during weekend hours and off-peak hours during the week. Access will be maintained for residents.

## When will these works take place?

- **Saturday 6 April to Sunday 7 April – single lane closure managed by 2-way traffic lights, 24 hours**
- **Monday 8 April to Thursday 11 April – plant crossing managed by traffic lights, 9:00am - 3:00pm**

These dates may change due to conditions outside of our control. Please refer to the HS2 website regularly to check for any changes and updates.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
