

# Notice of Dobbins Lane closure

April 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain, if you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at [www.hs2inyourarea.co.uk](http://www.hs2inyourarea.co.uk).

## What are we doing?

In April we will need to implement a road closure on Dobbins Lane on the corner with High Street to carry out water main maintenance works.

These works will connect the water main to the Wendover Green Tunnel compound. The new water connection will reduce the number of deliveries to our sites, reducing the number of vehicles in the Wendover area.

While we do the work, we will be monitoring the water pressure to ensure we do not affect the water supply to Wendover town residents.

Due to the location of the water main access point we will need to close a small section of Dobbins Lane at the junction with Wendover High Street for six days to complete these works. A signposted diversion route will be in place.

## When will these works take place?

The closure of a section of Dobbins Lane will be from Monday 22 April to Sunday 28 April.

Resident and business access will be maintained via the diversion route. The footpath will remain open for pedestrian traffic.

These dates may be subject to change due to circumstances outside of our control but will be completed on or around the timings specified.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Duration of works

Monday 22 April to Sunday 28 April.

Closure will be 24 hours a day.

The footpath will remain open for pedestrian traffic.

## What to expect

Various activities in and around the area

Closure of Dobbins Lane at the junction with Wendover High Street.

## What stage of construction is the Wendover Green Tunnel at?

The earthworks phase of the construction of Wendover Green Tunnel has now begun, we are currently excavating to 3m above the ground water levels in the area where the green tunnel will be erected. We are currently waiting for further consents before continuing with bulk earthworks.

## What will Wendover Green Tunnel look like?

The cut and cover tunnel will be approximately 1185m long with 120m portals at each end. The tunnel will be made up of pre-cast concrete twin arches which will be gradually widened at the end which will dissipate the air as the train enters to avoid a sonic boom effect. The use of pre-cast concrete will reduce traffic and noise impact in the local area.

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
