

SYRESHAM FRIENDSHIP CLUB

The clerk had a busy year with some excellent speakers. A cookery demonstration by Jane Thompson proved very popular, getting to taste the results. A visit from Wiltshire Farm Foods and an excellent quiz on Northampton when we all realised how little we could recognise of our county town. Christina Munsey again showed a film always popular with our members. Graham Kingsley from Northampton joined us twice and tells a story with music members have to write down the answer. Sue Palmer opened her garden for a strawberry tea and an outing to Cherry Lane Garden Centre proved popular using the Ability Bus.

This year is proving difficult with less people attending and within a few weeks a decision has to be made whether our Club has a future. It has been running for over 50 years but without more support the future looks bleak.

Dorothy Dunkley
