

SYRESHAM PARISH COUNCIL. STAFFING REPORT

This year has proved a challenge for the committee. We appointed a Clerk to commence duties in June and before her trial period had expired, she felt the hours needed were not suitable and ceased employment. We as a committee decided to rewrite our expectations of a clerk and with assistance from NALC advertised the position. Three applications were received, and each applicant interviewed. We agreed to interview two applicants again and eventually agreed to appoint Mrs Nichola Ali as Parish Clerk and RFO to our council. Our clerk has proved very competent and has become part of the council working together for the benefit of the Parish.
