\*Excluding VAT

Including VAT

## N.B. A total of £4,000 is ringfenced for streetlighting project

**EXPLANATION**: Total 2019-20 spend *excluding VAT* is £51,350.11. That is £10,470.11 over original budget. This has mostly been caused by the Swingfield project where for a spend of £28,392.36 the Parish Council had budgeted £2,000 contribution on the understanding the rest of the costs would be funded by grants. The grants of £18,380 were less than anticipated and after reclaiming project VAT of £4,732.06, the Parish Council agreed to increase spend from reserves to cover the remaining costs, increasing project contribution from £2,000, to £5,280.30. From the above figures you will see that most areas of spending are either on budget or under budget. With the exception of Swingfield project as mentioned, parish office expenses, emergency planning and village of the year. Office expenses *excluding VAT* were £126.30 over budget due to some unexpected additional office expenses eg: GDPR compliance document shredding £96, IT support in December £60, additional professional email capacity £85.82. Emergency planning, due to flooding extra aquasacs and flood signs were purchased. Village of the year entry fee was requested earlier this year, and so two entries fell in the 2019-20 financial year.
