# Notice of full road closure, Whitfield Road, Radstone

September 2024 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. You can sign up for regular updates in your local area at [www.hs2inyourarea.co.uk](http://www.hs2inyourarea.co.uk).

## What are we doing?

As our work continues to progress, in the middle of September, we will begin the permanent realignment of existing Bridleway AX16 Accommodation Overbridge. The first phase of these works will include creating a temporary site entrance that will facilitate the construction of the new bridleway overbridge.

For reasons of safety and due to the narrow width of the road, these works will require a full road closure. We will reopen the road as soon as possible.

Once the temporary access is completed, our teams will begin works for the foundations of the overbridge. Will continue to update communities as these works progress.

## When will these works take place?

A section of Whitfield Road will be closed, 24-hours a day, with local diversion in place, from Monday 16 September to Saturday 5 October.

These works may be subject to change due to circumstances outside of our control. We will update communities in advance.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
